Social Services Personnel Requirements

This policy applies to all employees within the Social Services Division.

Background Checks:

If the position has unsupervised access to clients who may be under the age of 16, developmentally disabled, or vulnerable adults, a current (within three years), satisfactory background check which has been completed by the DSHS Background Check Central Unit (BCCU) in accordance with RCW 43.43.830-845 and RCW 74.15.030 is required. Applicants being considered for hire will need a background check performed before the position is offered.

Mandatory Reporting:

Staff and subcontractors of Social Services who are mandated reporters under RCW 74.34.020(11), must comply with reporting requirements described in RCW 74.34.035/040 and Chapter 26.44 RCW.
